OUR CHURCH IS HAVING AN ITALIAN FESTIVAL ON OCTOBER 1, 2023!

Dear Friend of St. Nicholas of Tolentine Church -

Each year on the first Sunday of October, our church celebrates the Saints of the church with a procession through the streets of the parish commemorating Faith, Family & Tradition. Afterwards, we celebrate the heritage of our church, which was established in 1912 for the newly arriving Italian immigrants, by having an old-fashioned Italian Festival.

Great Italian food and drink, games for children and adults, live music and many other fun activities will be had for all!

As you can imagine, there are many upfront expenses involved in setting up such an undertaking. We are asking for your help by becoming a sponsor of the Festival. Your name will be included in a large poster and in a post-Festival flyer, and also on our Festival website so that all will know of your support.

Would you please consider becoming a sponsor for our Festival? Below is an *"I Want To Be A Festival Sponsor"* form to complete. If you agree traditions are important, kindly fill out the lower portion of this form and return it to our Rectory Office, or you can call us at the above phone number and we will be glad to pick up your donation or answer any questions you may have for us.

May God Bless you,

Rev. Nick Martorano, O.S.A., Pastor
& the Italian Festival Committee
